*Has Successfully Completed the Following Education Course:*

**Driveway Base Fundamentals**

*On January 23rd, 2026 Representing 2 Hours of Education*

---

A handwritten signature in black ink, appearing to read "Iñaki Gonzalez".

## Driveway Base Fundamentals

This course is a deeper dive into what the best base options are for a driveway or parking area and how to construct a high performance paving project for vehicular use.

**Internal Course Code:** UTEC-02 **Delivery Method:** On-demand e-learning program

For fifty years, Unilock has been helping people create beautiful outdoor spaces that become treasured places to build lasting memories. It all started when our founder brought a revolutionary new paving method to North America, called the Uni-Stone. Since then, other companies have tried to follow in our footsteps, but Unilock remains the style and technology leader.
